

I. **About US**

- The Jacksonville Lean Consortium (“LeanJax” or “JLC”) is a non-profit organization whose members are dedicated to improving performance, eliminating waste, and delivering added value to its customers. Through shared learning and networking, JLC members work together to become more efficient, more profitable, and more competitive in the marketplace. By demonstrating their continuous improvement efforts and successes, our members help promote economic development throughout the First Coast.

II. **Our Mission**

- To collaborate in an effort to improve the performance of businesses and organizations on the First Coast, and to promote economic growth through the implementation of Lean Thinking.

III. **Member Benefits**

- Monthly Lean leader meetings
- Regular networking events
- Multiple training courses utilizing “learn by doing” approach (select courses offered on-site)
- Access to all training course materials
- Two (1-2 day) rapid improvement events facilitated by our team and volunteers from JLC at your organization
- Annual Lean assessment provided by our team
- Mentoring and benchmarking from Lean leaders at JLC member companies
